**Disclaimer:**  
This course is designed to show you how to massage a close friend or partner. You will NOT be qualified to massage on the general public upon completion of this course. Information about when it is not safe to massage is given to you on this course but this information does not imply that should these conditions not be present that injury through massage will not occur. It is the responsibility of you and/or the person you are massaging to take caution and seek the advice of a general practitioner or other medically trained health professional for advice about whether it is safe to massage. No responsibility is taken by Christie Tonks for injury you may cause to anyone you massage after completion of this course.

I have read and accept the disclaimer and payment terms outlined above.
